BLUESQUARE
TECHNOLOGY

TERMS AND CONDITIONS:

- O A USER ACCEPTANCE TEST (UAT) will be conducted and within that period all the bug fixes will be done free of charge. The free maintenance period will be 12 months which will start from the date of deployment of the developed portal. After expiry of that period, the maintenance period will start, the details of which will have to be decided through an agreement once the development cost has been locked. The important thing to note is that the maintenance payment is on a prepaid basis.

- O Timeline for development will only start once the requirement is set, sealed and approved by the client. Also, we would need all the required contents from the client to start the development.

- O The overview mentioned in this document is as per the discussion during the initial requirement gathering phase. Any requirement/change in the workflow/flowchart which is not included in this finalized and signed document will be considered a change request and extra charges will incur.

- O The cost estimate is only for the first phase of the project.

- O As new features and modules are added, the bill will increase accordingly as the number of developers involved in the project will increase.

- O A work-order has to be issued in the name of "BLUESQUARE TECHNOLOGY"

- O BLUESQUARE TECHNOLOGY will not be responsible for delays which are not under its control (e.g. delay from client side, act of God, sudden disease etc.). However, it will try its level best to perform proper risk assessment and manage the deliverables accordingly.

- O For starting web development at least 50% amount should complete.In case of offer 100% Payment should complete .

- O There will be no refund facility once deal placed.
