Subject: Proposal for Collaboration in Overseas Education Services Partnership Opportunity

Respected Dr. K. Sudhakar Reddy,

I hope this letter finds you well. We, at Eduguide Overseas Studies Pvt Ltd, are reaching out to explore potential collaboration opportunities in the field of overseas education Student Admission services. Recognizing the value of your institution's commitment to student success, we believe that our partnership could mutually benefit both parties involved.

We specialize in providing comprehensive support and guidance to students seeking education opportunities abroad. Our services encompass everything from assisting with university applications to visa processing, ensuring a smooth transition for students as they pursue their academic goals in foreign countries.

Proposal Details:

1. Monetary Benefits

- We propose to offer a financial incentive to your institution for referring students to us for overseas education placement services. Upon Enrolment of a student through your referral, we will pay your institution 50% of the registration fees charged to the student.
- Additionally, upon successful visa acquisition by the referred student, we will offer further financial incentives based on a slab-wise structure:

| Number of Students | Incentive Per Student (in INR) |
|--------------------|--------------------------------|
| 1-10 | 10000 |
| 11-20 | 20000 |
| 21-30 | 30000 |
| 31 and so on | 40000 |

- These incentives will be applicable annually from April 1 to March 31 of each year.

2. Quality Assurance:

We assure you that our services are of the highest quality, and by partnering with us, your institution can enhance its offerings to students, thus increasing its reputation and attractiveness.

3. Inclusion of IELTS:

The registration fees charged by us include IELTS preparation and testing (if required for admission process), ensuring that students receive comprehensive support in their overseas education journey.

4. Public University Admissions:

- In cases where students seek admission to public-funded universities with no agency representation, we charge them a fee of Rs.150,000 plus 18% GST.
- This fee structure will be communicated transparently to students. However, please note that in such cases, the 50% incentive on registration fees is not applicable to the referral partner.
- Your institution will receive incentives directly upon successful visa acquisition only, as per the slab-wise structure.

5. Hassle-Free Process:

We understand the importance of making the referral process as seamless as possible for our partners. Your institution will simply need to refer potential students to us, and from there, our team will handle every aspect of the process from start to finish. This includes everything from initial consultations to visa processing, ensuring that the entire experience is hassle-free for our referral partners.

6. Career Guidance Abroad Seminars:

As part of our collaboration, we will assist your institution in organizing career guidance abroad seminars. These events will serve as an excellent opportunity to generate leads for your institution while providing valuable information to students about overseas education opportunities.

7. Ongoing Support and Communication:

We are committed to maintaining continuous communication with our referral partners. Our team will be in touch regularly and will also visit your institution on a timely basis. Whether it's setting up a help desk or providing counselling sessions as demanded by your institution, we are dedicated to offering ongoing support to ensure the success of our partnership.

We believe that this collaboration presents a valuable opportunity for both our organizations to work together in facilitating students' aspirations for international education. We are open to further discussions to tailor our proposal according to your institution's specific requirements and preferences.

Should you be interested in exploring this partnership further or require any additional information, please do not hesitate to contact us at +918530849222 or else email us on info@eduguideoverseasstudies.com .
